

Goals of Samsung galaxy

- to devote its talent and technology to creating superior products and services that contribute to a better global society.
- The mission of Samsung is: Supporting people to be their best.

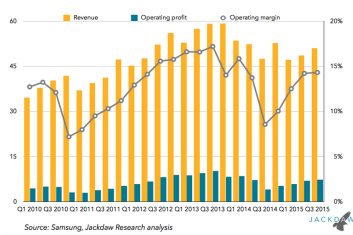

Achieving zero waste to landfill by 2025

Samsung is working to reduce waste generated at its manufacturing facilities, with the goal of diverting all garbage from landfills by 2025. “Samsung is committed to creating solutions that enable a better future for our people and our planet.

this end, we share and pursue Samsung Values; People, Excellence, Change, Integrity, Co-prosperity.

KPIs of Samsung galaxy

- They follow the system of target vs. achievement wherein every employee is given a specific target to achieve in the beginning of the month.
- This target may vary from an increase in the market share or an increase in the total sales.
